Preparation

HEATING INSTRUCTIONS: Hoagy patties are fully cooked, so all you need to do is heat and serve. Keep patties frozen until ready to serve. For best results, prepare patties on a grill. Grill: Place frozen patties on a grill over white hot coals. Heat for 2 minutes on each side. On a gas grill, heat on high for 2 minutes on each side. Stovetop/Skillet: Place frozen patties in a skillet on medium high heat (about 375°F). Heat for 2-1/2 minutes on each side. Microwave: (microwave ovens vary; heating times are approximate) Place one frozen patty on a microwave safe plate. Heat on medium power for 2-1/2 minutes, flip, and heat for another 2-1/2 minutes. For multiple patties, add one minute heating time per side for each additional patty. Refrigerate or freeze any leftover product.
