THREE BEAN CHILI

Let's Create Great Dishes Together!
America loves chili because it is hearty, comforting, satisfying and customizable. Food service professionals find chili to be versatile, cost effective, and enjoy that they are able to utilize in different dishes across their menus.

Our Three Bean Chili features a blend of red kidney beans, black beans, great northern beans, tomatoes, onions, green bell peppers and is lightly seasoned with garlic and cilantro. It’s an easy way to add more plant-forward entrees to your menu.
