Beer Cheese Base

Menu Versatility | Customizable | Packed Frozen in 5 lb. Pouches

If you're looking to add a signature beer cheese dip to your menu, JTM has just what you need! Our new beer cheese base provides a simple way for you to create your own signature item with the beer of your choice whether it's a local favorite or a national brand. You can even use a seasonal beer to create a summer beer cheese, an Oktoberfest, a winter beer, or get your customers involved and run a monthly promotion allowing them to vote for the beer they would like blended into the beer cheese next month. The choices are endless, ask your sales representative for a sample today!

Create your own signature item with ease!

Item Code	Product Description	Pack Size
75250	Beer Cheese Base	4 / 5 lb pouches

Let's Create Great Dishes Together!®

Custom crafted beer cheese dip in **3** simple steps:

1 Choose your beer.

From local favorites to national brands, year-round brews to seasonal options, the choices are endless.

2 Heat Beer Cheese Base

- Heat **5 lb. bag** of beer cheese base in a steamer or water bath for **25-30 minutes to 140°F** for 15 seconds (HACCP Critical Control Point).

- Portion entire 5 lb bag of beer cheese base into a 1/2 pan and hold hot on a steam table.

3 Add Beer of Choice

Add **12 oz. of desired beer** to heated beer cheese base and blend until beer is mixed evenly throughout base.
