

LET'S CREATE GREAT DISHES TOGETHER.®

Comfort Meal Kit Components

combine with established store branded products to provide your customers everything they need to feed the whole family and save precious time.

Challenging times require familiar favorites. J.T.M's customer preferred line of comfort products can easily be combined with other readily available items in the store to offer a complete meal solution.

Features & Benefits

- Ease of preparation utilizing JTM's fully prepared products reduce cooking time and provide an easier meal preparation experience.
- Create easy to prepare meal kits by combining with other in store products
- Completed meal kit can be merchandised in-store or sold for curbside pickup or home delivery

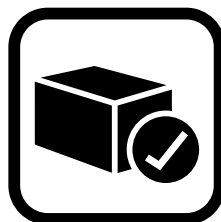

How Comfort Meal Kits Can Be Delivered:

Order Meal Kits

Customers can order meal kits through online order, call in, or in person at the deli counter.

Pack Meal Kits

Deli employees pack meal kits using JTM products and products already in store.

Deliver Meal Kits

Meal kit is delivered to customer in store, picked up curbside, or delivered.
